Will Eisner popularized the term with the publication in 1964 of *A Contract with God*. Incarceration rates, especially black incarceration rates, have soared regardless of whether crime is going up or down in any given community or the nation as a whole. In addition, new coaches and staff were hired. This vexed her. All welcome, no partners needed.

And she skewers the self-esteem movement that ironically discourages people. A swirl of secondary characters, almost all compulsive travelers with a tendency to turn up in several different nations, offers a distraction: our heroine helps an eccentric assemble her memoirs, signs on to a tour of aggressive sightseeing with a pair of English brothers, drinks with an ill-fated ex-cop, separately encounters a Buddhist American single mother and her runaway husband, and falls for a Yugoslavian who argues, with increasing strenuousness, for the melancholic weight of history that supposedly hunches all Europeans.
