Change Management.

## **The Wood Beyond the World**

A number of chivalric tales translated from French, such as Oliveros de Castilla are commonly included with the Spanish romances, as are other translations, such as Roberto el Diablo and Clamades y Clarmond whose similarity with the Spanish romances is that they are fictional narratives in prose. Nineteenth-century critics and bibliographers may perhaps be excused for this confusion concerning the nature of the Spanish romances of chivalry. Joshua kept it, the righteous judges and kings kept it.
