Biological Computation

His writings remind me of himself: he was a pastor, hence his holy practical remarks; he was the head of a public school, and everywhere we see his profound scholarship; he was for some time amid the guns and drums of a parliamentary garrison, and he gossips and tells queer anecdotes like a man used to soldier-life; yet withal, he comments as if he had been nothing else but a commentator all his days. Nous avons donc la meilleure loi au monde.
