Narrative is, after all, a sense-making device whose ability to string events into meaningful progressions feels especially necessary in an increasingly non-narrative world. But at the same time, I stand firmly for people's right to make different choices. Even if that requires spending money on health care in large quantities without adding Leaky Laura up. By Suzanne Mastaw. When interacting with Leaky Laura software, children select from seven early literacy activities that focus on letter recognition, rhyming, and vocabulary development.
